Please note the following information regarding the terms of participation

1. Medical Treatment

Participant and parent(s), including guardian(s) (hereafter 'parent(s)') authorize BISP personnel and their agents to provide or secure medical care for participants, or to transport participants to medical or dental facility for treatment. Care includes a physician, hospitalization, surgery and medications. The participant and his parent(s) further authorize BISP staff or other medical personnel to render such treatment they deem necessary for participant's health. BISP will arrange the accidental insurance for all students but if there is any expense which exceeds the coverage or any expense occurs due to the students' health problems which are not covered by the accidental insurance, the parents will have to take responsibility for the occurred cost.

2. Personal Belongings

Participants are not expected to bring to BISP large sums of money, expensive devices, phones etc. Passports and traveling documents will be collected upon arrival by our staff. Although best possible care will be taken, the school cannot be liable for the loss, theft or destruction of any personal belongings.

3. Photo Release & Publicity

Participants and parent(s) authorize BISP, and/or parties designated by BISP, to use photos, videos and recordings which may be taken of or include participants, for sale or reproduction in any manner BISP desires, for advertising, display, educational, audiovisual, exhibition, social media, online media or editorial use.

4. Positive Summer School Behaviour

The group atmosphere is a very important part of the experience. Everyone works together in an atmosphere of respect for peers and team leaders. Although we don't impose strict rules of conduct, actions detrimental to the programme or those that prevent us from enjoying a healthy and fun programme may result in the participant being sent home with no refund. Both parent and participant must understand that for the health, safety and welfare of all members of the programme, participants must abide by all rules stipulated by BISP or by BISP staff members.

5. Removal from the Summer School programme

BISP reserves the right to *send the student home immediately with no refund* if the staff believe that the student is injurious to him/herself or others or presents a safety concern or medical risk, is disruptive, or otherwise conducts him/herself in a manner detrimental to the school's reputation and fellow students. This includes, but is not limited to, use of illegal drugs, tobacco products, alcohol, sexual activity, theft or disregard of instructions.

We do not accept students who have a criminal record, and have been/are in trouble with the police in their home country. Should this information come to our attention during Summer School then *the student will be sent home immediately with no refund.*

6. Payment & Refunds - Please note the following terms:
