# Welcome to Phuket

***"Of course, all athletes compete to win, and I am sure many of you will try your utmost to do so, but for most of us throughout our sporting careers we have also had to learn how to lose. This is by far the hardest, but also the most valuable lesson, because it is how we are able to react to failure that will largely determine future success, not only in sport but also throughout our lives.***

***A clear objective in any game should be to gain the respect of the opposition, this requires each of you to play fair, work hard and always stay positive!***

***Win or lose, what I can guarantee is that everyone involved in the tournament will take away memories that will last a lifetime.***

***Enjoy the next two days, and give of your best and then – no matter what the mathematics tells you – walk off the pitch with your head held high."***  
(2015)

*Neil Richards MBE  
Headmaster  
British International School, Phuket*

As always it gives me the very greatest of pleasure to welcome so many players and visitors onto our campus. For those familiar with our tournament I believe that you will notice a more determined effort to promote our emblem, the SEA-EAGLE, along with its sporting motto 'Rise Above'. The acronym of BISP has always been a bit of a mouthful, but I would like to draw particular attention to the words 'Rise Above'. The emphasis from my point of view is upon rising above criticism, unwelcome decisions, lack of sportsmanship and the temptation to believe that any sporting success somehow invests a person with greater human value than anyone else.

I believe the real long-term value of any sporting competition is to focus the efforts of all athletes upon their individual physical and mental performance, which is greatly magnified when playing in a team – and there is not a single person who cannot benefit from this experience. The life-long lessons of sport – and team sport in particular – are invaluable.

All athletes should be giving one hundred percent of their physical and mental focus upon their performance during a game, and if they achieve this they can walk off any sporting arena as winners; the rest, as I am fond of saying, is only mathematics. Of course, it is fleetingly wonderful to be the best, but the only thing in our control is to be the best we can be – and all of us can achieve this, on or off the field.

Alas, it is my final tournament, but the extraordinary support that the teachers of this school give to each other and to our students on occasions such as this, will remain among my greatest lifetime memories as a Headmaster. I would also like to formally recognise the sheer professionalism of the BISP staff across all sections of the school. A simple 'thank you' will have to suffice, but it is heartfelt.

Finally, my thanks go to all those coaches and teachers from other schools who give so much time and energy to enable their students to be here – the success of the tournament, in very large measure, also belongs to you.

Enjoy the competition!

Dear Players, Coaches and Parents,

On behalf of the British International School Phuket, I would like to extend a warm welcome to the 18th Annual BISP Soccer 7s. BISP is proud to host, one of the largest International Schools Football Tournament of its kind with over 1,550 competitors registered from 39 different International Schools with 148 teams taking part.

The BISP Soccer 7s will provide you with many possibilities to challenge yourself individually and as a team within the context of a competitive environment. In the past years students have had memorable experiences at this tournament and I wish you similar outcomes. I trust that these couple days will be a time of friendship, competition and fun.

You are all ambassadors for your respective schools and regardless of winning or losing it is our goal that everyone plays with respect and sportsmanship. We understand that being part of a team demands commitment that involves both dedication and sacrifice, and we congratulate all competitors for participating in this year's tournament. It is your time to shine!

An event such as this does not come without the hard work of many people. I wish to thank the Tournament Committee: Nigel Wheeler, Khun Anne, Khun Wate, Khun Anchalee and members of the each of the following departments: Marketing, Business, Events, Security, Kitchen staff, Maintenance department and Grounds staff. Also thanks to the referees from Phuket Rajabhat University as well as all our students for their assistance during the tournament. I would also like to send a special thanks to the Head of PE, Ali Gates and the whole PE Department for all their support in the run up to and during the tournament. It is truly amazing how the whole BISP community pull together to host this special sporting event.

Again, welcome to Phuket!

Good luck, play hard, be the best you can be and respect the game!

# Rules

---

The tournament will be played to 7-a- side FIFA laws with no offside. The back pass rule will apply. There will be rolling substitutions, which must take place from the halfway line. The player must leave the field before the substitute can enter play. A goal can be scored directly from the centre pass. It is the responsibility of the coach to ensure players leave the field of play and administer substitutions.

## Free Kicks:

All free kicks are direct and the opponents must be at least 5 metres from the ball (same applies for corners).

## Scoring:

Points will be allocated = 4 points for a win / 2 for a draw / 1 for a loss.

In the case of a points-tie in the pool/league, the order will be decided by

1. Head to head result
2. Goal difference
3. Goals for
4. Penalties (see below)

## Playoffs:

In the case of a draw at the end of full-time in the knockout stages, the following procedure will take place:

1. All knockout games move directly to a penalty area off the pitch in the dedicated penalty area.
2. Penalty Shootout- Each team will choose 7 players (including the goalkeeper) from their squad regardless of whether they were on the field of play at the final whistle. The teams will take 3 penalties each, followed by sudden death. If the scores are still equal, the players will take a second penalty until the game is decided.

## Match Duration

2 x 12 minute games (2 minutes half-time) for all games including playoffs and finals.

## Suspensions

Any player receiving a red card will miss the next game. Two red cards will see a player expelled from the tournament. Any player receiving 2 yellow cards in group games will miss the next group game. All yellow cards will be cleared for the knock out stages. This rule reapplies for the knockout stages. The Organizing Committee reserves the right to make a final decision on any aspect of the rules.

## Football Sizes

Under 9 size 3, Under 11 and Under 13 size 4, Under and Over 15 size 5

*Please note that the British International School, Phuket is not liable for any injury or loss of property that may occur during this tournament.*
