OVERVIEW

Summer@BISP, offers flexible programmes with day or full residential camps available as single or multi week options. Each morning students follow one of the specialist tracks: Adventure Sports, English, Football and Swimming. In the afternoons, everyone enjoys a mix of on-campus and off-site activities.

Hosted at our British International School, Phuket (BISP) on its beautiful 44-acre campus, and with full use of its extensive sports facilities, our camps are generously staffed with safety being our priority. They are conducted in English, by our experienced and well-qualified staff. If needed, additional language support is available in Russian, Chinese and Thai.

Full camp students are housed in single, twin or dorm rooms with shared communal bathrooms. Older boys and girls reside in separate boarding houses. Full camp students benefit from additional evening activities. The food is varied with options to cater to most, including those on vegetarian and gluten free diets.

Every year, we are delighted to welcome students from Phuket, Thailand and further afield. For Full camp students flying into Phuket, we provide a complimentary meet & greet service at Phuket International Airport.

For day students, BISP Summer Camp will take place from 08:30 until 18:00 each week day.
