

SCHOOL FEES 2025-2026

(Quoted in Thai Baht)

1. Fees upon Admission

These are paid by families upon first entering their children into BISP. An explanation is provided below:

- **Application Fee (paid once; non-refundable): 6,000**
This covers all costs relating to entrance testing; interviews; processing school reports; administration and registration; all materials and handbooks relating to the school operations. The application will not be processed until the application fee is paid.
- **Placement Fee (paid once; non-refundable): 200,000 (per family with a single student)
250,000 (per family of more than one student)**

This is paid to confirm a student's place in the school. It must be paid within two weeks of accepting an offer and prior to the student starting. The fee is not refunded if a family subsequently does not take up the offer.

- **Bond (paid once; refundable – see Section 7 Withdrawal from the School and Refunds): 150,000**
The bond is returned upon withdrawal of a student, providing all fees have been cleared and one term's notice has been given. This bond goes some way to ensure that the burden of financial default does not impact in any way upon our service to other families.

Providing all fees have been paid in full, the bond may be used to offset the extra examination costs at IB level in Year 13.
