

PRETTY POLLY THE PIRATE'S PEST

A DIRTY DAVE ADVENTURE

Have you heard the story
of Dirty Dave, the dastardly
and dangerous pirate
from Phuket?

Dirty Dave took toys.
He pinched pencils. He looted
lollipops and craved coins of
the chocolate kind!

This was one bad pirate!

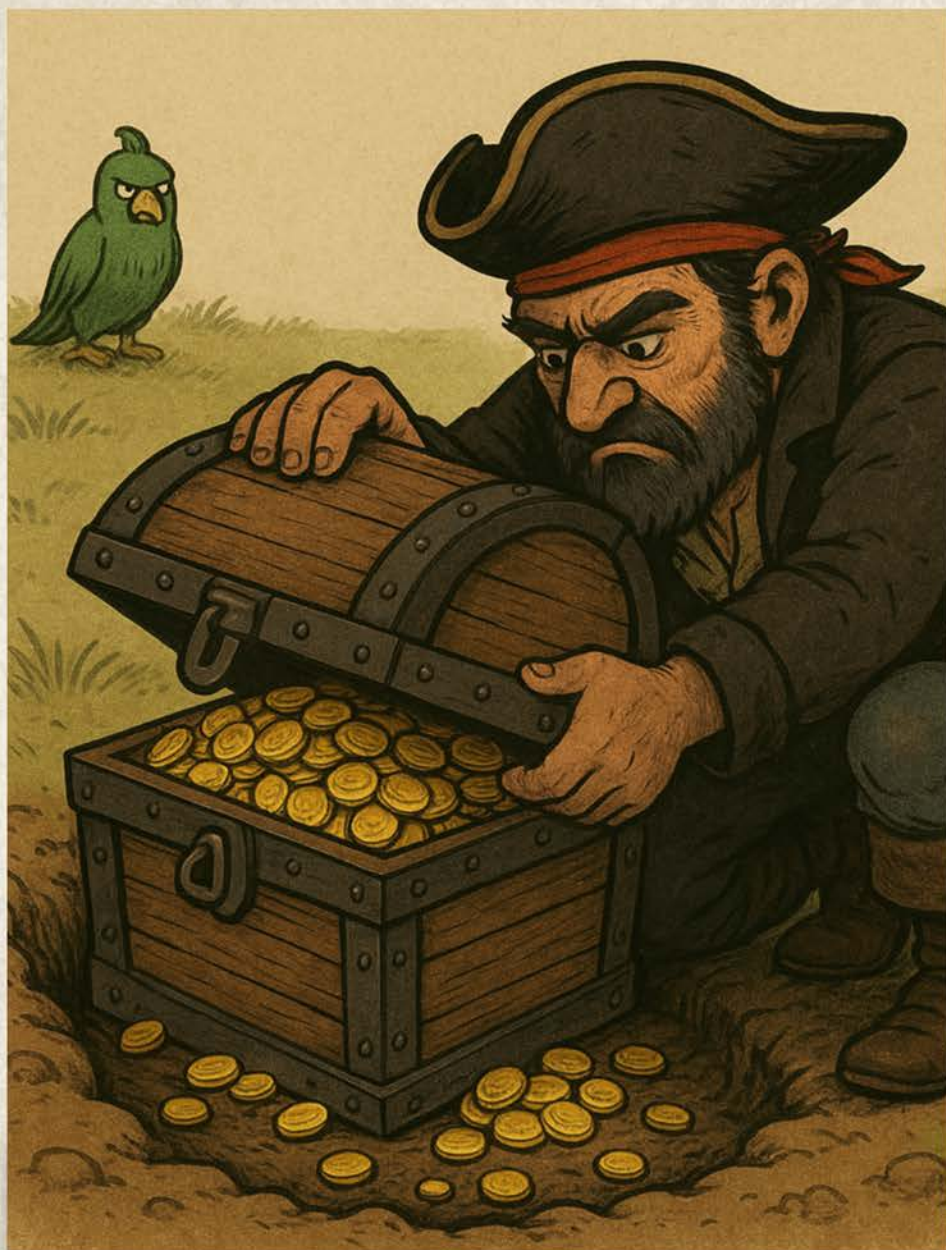

On Dirty Dave's shoulder stood
the hero of this story.

Pretty Polly, the green queen.
The kindest and fairest parrot in
the land.

But Pretty Polly was not pleased.
She commanded Dirty Dave to
stop his naughty tricks.

"You must give the chocolate
coins back!", said Pretty Polly.

"NEVER!!" shouted Dirty Dave.

Dirty Dave crept away
to hide his treasure in a big, old,
wooden chest.

“Nobody will find my chocolate
coins here. I’ll draw a cross on
my map, so I don’t forget.”

Pretty Polly looked on from the
distance. Our feathered hero
had a plan...

Pretty Polly waited for Dirty Dave to fall asleep.

As he snored, Pretty Polly moved closer. Creeping ever so slowly, quietly and gently she hopped onto Dirty Dave's shoulder.

From his pocket, Pretty Polly plucked the treasure map. "I'M GOING TO THE POLICE STATION, YOU ROTTEN EGG", she squawked.

As Pretty Polly flew, a storm started to brew.

Rain fell, growing harder and harder. The wind blew, blowing stronger and stronger.

And then...disaster.

A bolt of lightning struck poor Polly...and the map fell down, down, down to the ground.

As the map fell...it
ripped into pieces.

The pieces of paper
scattered left, right,
up and down.

And poor Pretty Polly
was hurt.

Feeling better,
Pretty Polly wore an
eye patch with pride.

But dear children,
she needs your
help....

With only one eye it
is hard to see.

Where could all the
pieces of the map be?

With a patched up map, and an eye patch to boot.

Pretty Polly helped the Police to find Dirty Dave's loot.

Hurrah for Pretty
Polly, she's the best.

But keep your eye on
Dirty Dave... you
never know what
he'll do next.

Who will triumph in this battle
between pirate and parrot?

Dirty Dave just wants to pinch
and plunder. But Pretty Polly
aims to steal his thunder.

The scourge of the seas thinks
he's the best... but will he better
the pirate pest?
